

ANNOUNCEMENTS

SPRING BREAK – NEXT WEEK!

Delaware Christian School will be on Spring Break next week. Due to Spring Break, no Wednesday evening ministries will be meeting at DBC. Both Pastor Scott and Pastor Aaron will spend the majority of the week out of the office so please check-in with the church office staff member you need to meet with next week before coming to the church so you ensure they will be available when you arrive.

DBC CHOIR – RECRUITING SOPRANOS

The DBC Choir would like resume singing in DBC worship services during the Spring Season. In order to make that happen, they are in need of several volunteers who sing Soprano (but are also open to any other volunteers that would like to sing). The choir meets on Sunday evenings at DBC to rehearse and sings in both morning services most Sundays. If you would like to volunteer to fill this need please contact Bob Johnson at your earliest convenience.

CONSIDER FIRST SERVICE AT 9AM

As folks start coming back to church, we are noticing that first service is pretty open while second service is getting tight space-wise. If your family does not attend any Sunday School classes and you attend the 10:45 a.m. service, please consider shifting to the 9 a.m. service. Thanks!

WE ARE HIRING

Delaware Bible Church & Delaware Christian School are looking to hire a part-time custodian to work after school from 3:30 p.m. – 6:30 p.m. (start and finish times are slightly negotiable) Monday – Friday on school days. The employee will not have to work on holidays, summers, or general days where school is not in session. This custodian will be responsible for handling general custodial tasks such as taking out the trash, vacuuming, mopping, and other general custodial tasks. The pay is \$9 per hour and the individual can begin work as soon as this upcoming Monday (3/3). This is a great position for a teenager after school or a retired person looking to still work a few hours. Interesting in applying for the position? Please contact Jane Miner by calling the school office at (740) 363-8425 or by email at jane.miner@dcschool.org.
