

## ANNOUNCEMENTS

### **Giving Opportunity: Awana Scholarships & Needs**

Each year, several students from our community and church seek assistance to help pay for their AWANA handbook, uniform, and dues. On average, it costs about \$50 to fund a new AWANA student with everything they will need for the year. We will also provide a Bible for the student if they don't have one. Could you help by contributing \$50 to fund an AWANA student for the year? If so please mark your check or envelope with AWANA Scholarship or designate it in the memo if you choose to give online. Questions? Please contact Jalayne Van Gorden in the church office or by email at [jvangorden@delawarebible.org](mailto:jvangorden@delawarebible.org).

### **Love Packages**

Donate used non-fiction Christian books/Bibles, commentaries, CDs, DVDs, devotionals, tracts, magazines. Sunday School/Bible school materials, Bible puzzles/games/puppets. Bring your materials in a box or container (under 25 lbs. each, do not tape shut) and place in the commons area marked "Love Packages". Your items will be collected, sorted, shipped overseas to countries with English speaking regions who are desperate for these materials through an organization called Love Packages ([lovepackages.org](http://lovepackages.org)). Please no missions magazines or VHS tapes. Items will be collected each Sunday, September 5, 12, and 19. Any questions, see Stephanie Petersimes

### **New Podcast Episodes begin this Friday**

A new Delaware BibleCast podcast episode will release each Friday at 4:00 p.m. We'll begin this season's podcast series with a series titled, **What We Believe** where we overview the doctrines that we believe as a church, their importance and application into our daily lives.
