Sunday Morning Adult Bible Study Classes

Men's Study

In a world where everyone is attempting to define manhood, why not look to God who designed men? God's definition of real manhood is found in the ultimate man - Jesus Christ. The DBC men's ministry team is inviting men in our church to gather together for a study entitled "Attributes For Men." Over the course of approximately 12 weeks, we will examine nine biblical attributes that will empower you to become the man God wants you to be. This study will take place during the first hour on Sunday mornings (9:15AM - 10:15AM) in Room 305. Please contact Pastor Aaron with any questions you have.

Women's Study

Ladies, come join us during the first hour on Sunday mornings for a ladies only Bible study! This will be a discussion based class studying the book of Ephesians. We will study Ephesians at home on our own and then come together to learn from each other and grow together in our love and understanding of God. It's also a great opportunity to connect with new friends at DBC! We will be meeting from 9:15-10:15 AM in Room 304. Come a few minutes early to chat and enjoy some breakfast snacks. To get the most from this class, we encourage you to work in your study book at home each week. Books will be handed out during the first week of class, October 3rd. Please sign up in the Commons or contact Tracy Tiede at tracytiede@gmail.com to reserve your spot and book. The cost of the book will be \$11.

Colossians

The book of Colossians is a powerful book of the Bible pointing us to the supremacy of Christ and to how we should grow and mature spiritually. You're invited to join us as we overview this book together. This class will be filmed and an edited version of each class session will be available to view online the Tuesday after each class has been concluded. Dan Miner will be teaching this class in Room 303 during the first hour on Sunday mornings (9:15AM - 10:15AM).
