### Giving Opportunity: Awana Scholarships & Needs

Each year, several students from our community and church seek assistance to help pay for their AWANA handbook, uniform, and dues. On average, it costs about \$50 to fund a new AWANA student with everything they will need for the year. We will also provide a Bible for the student if they don't have one. Could you help by contributing \$50 to fund an AWANA student for the year? If so please mark your check or envelope with AWANA Scholarship or designate it in the memo if you choose to give online. Questions? Please contact Jalayne Van Gorden in the church office or by email at [jvangorden@delawarebible.org](mailto:jvangorden@delawarebible.org).
