Children's Christmas Choir

Children from grades 1-5 are welcome to join us in singing Christmas songs for both services on December 12. Rehearsals will begin on Sunday November 7, promptly after the first service in room 106. We need an individual to play piano for all rehearsals and the performance. We also need parent volunteers to help with rehearsals. If your child would be interested in performing, or you would like to volunteer, please contact Malory Kennedy.
